03 CELLUMA LED LIGHT THERAPY

Focused care with our professional Celluma FACE system.

LED light therapy · face — 390 THB

30 min

Extend your facial with a complete 30-minute session beneath the professional Celluma FACE system. Red and near-infrared (NIR) light support care for fine lines and wrinkles, while the acne programme includes blue light. Your therapist selects the programme following your consultation.

Available with Ella Baché and La Mer facial treatments.

LED light therapy · hands — 390 THB

30 min

Both hands rest beneath the flexible Celluma panel for a focused 30-minute LED session. Red and near-infrared (NIR) light at 880 nm bring dedicated skin care to the backs of the hands, complementing the finish of your manicure or facial.

Available with selected facial and nail services. Face and hand LED are booked separately.

04 MASSAGE ENHANCEMENTS

A little more time for the relaxation you enjoy most.

Head, neck and shoulder massage — 290 THB

20 min

Slow down a little longer with focused massage across the scalp, neck and shoulders. Pressure is adapted to your preference, making this a lovely choice when relaxation is what you want most from your visit.

Twenty additional minutes beyond the massage included in your facial.

Hand and foot massage — 290 THB

20 min

A little more care, from fingertips to toes. Enjoy focused massage of the hands and feet with a nourishing finish, turning your facial appointment into a fuller moment of rest.

Twenty minutes shared between hands and feet. Nail care and spa treatments are booked separately.

PROFESSIONAL CELLUMA TECHNOLOGY

Celluma FACE combines blue and red light with near-infrared (NIR) at 880 nm in a flexible professional panel. Your therapist selects the programme following your consultation; the panel is positioned above the skin without resting directly on it.

Add-on prices and times are additional to your facial. Hand LED can also accompany selected adult nail services.

All prices are in Thai baht. Service durations are approximate.
